

VISTA GARDEN CENTRE

Contract Details:

Completion date: September 2006.
Contract Period: 6 Months.
Contract Value: £3M (Approx).
Floor area: 3,000sqm (Approx internal).
Duties: Full Design & Supervision.
Procurement Method: Specification & Tender.

Project Description:

The building was a new purpose built garden centre with food hall and restaurant selling local and fair trade produce plus butchery, high quality homewares, aquatics centre and hot tubs.

The building is mostly open plan with relatively low valleys between large pitched roof bays which presented a design challenge for the engineering services.

The electrical services included comprehensive security and CCTV systems and a system of lighting track to

provide flexible and dedicated product specific lighting. The mechanical service included gas fired radiant tube heating linked to automatically opening roof vents to provide all year round environmental control.
